Valley College is please to announce that our Veterinary Technician Program has been approved by the Committee on Veterinary Technician Education and Activities.

The following language will be inserted in the Student Catalog under the Accreditations, Approvals, Memberships and Licensure section on page 7.

Valley College - Cleveland is accredited from the CVTEA (Committee on Veterinary Technician Education and Activities) for its Veterinary Technician degree program.

On approximately page 98, under General Information, the language will be revised to read:

The Veterinary Technician program is CVTEA (Committee on Veterinary Technician Education and Activities) accredited.

All AVMA (American Veterinary Medicine Association) CVTEA-accredited programs in veterinary technology must meet the Standards of Accreditation of the CVTEA to ensure the quality of the educational experience and the assessment of student knowledge and skills. In order to be eligible to take the Veterinary Technician National Exam and become a Registered Veterinary Technician, you must graduate from an AVMA-CVTEA accredited program.

Graduating from a CVTEA accredited Veterinary Technician school tells employers that our graduates have met the education standards of our program and the AVMA professional community as an educated Veterinary Technician.
