

Cost of Attendance 2023-2024

The Cost of Attendance shown below show the estimated expenses for Full-Time, First-Time undergraduate students enrolled at Valley College by program. The first-time student is a student who has not had any previous post-secondary education. The estimated cost is for one academic year. The Cost of Attendance is subject to change. The cost of Books and Supplies includes a laptop computer that may be purchased through the school. Supplies, Personal and Miscellaneous Fees, Food and Housing, and Transportation costs are expenses that the student will pay for on his or her own (indirect costs). The value shown for the indirect expenses are only estimations and reflect the program length. These costs will vary from student to student. Transportation costs should not be incurred by students who enroll in 100% online programs.
