Licensure Pass Rate for the Ohio Board of Nursing (OBN)

The Ohio Board of Nursing (OBN) calculates licensure pass rates differently from ACCSC. The OBN reports the number of individuals who pass the NCLEX-PN examination on the *first* attempt throughout each calendar year. ACCSC's cohort is established using the students' start dates and the OBN uses the students' gradation dates. Additionally, the OBN's reported licensure pass rate combines both Valley College – Cleveland and Valley College – Fairlawn into a single calculation. The OBN's official pass rates for the College's Ohio campuses are indicated in the following table.

Program	January 1, 2024 – December 31, 2024	January 1, 2023 – December 31, 2023	January 1, 2022 - December 31, 2022
Practical Nursing	66.19%	57.95%	49.37%

The information regarding student outcomes is maintained, tracked, and updated in our student management system.
