

VALLEY COLLEGE
CONSUMER INFORMATION NOTICE
Prospective Students (Enrollment Period)
Current Students Annual Notice
Covering the Calendar Year 2026 v02

Valley College wants each student to be aware of certain consumer information that will assist them in maintaining a good educational experience. The Valley College Student Catalog and Supplements and Consumer Information documents are available on the Valley College Website (www.valley.edu) The catalog, catalog supplements, and catalog addendums are subject to change without notice. Click on Catalog <https://www.valley.edu/catalog/> Then click on the appropriate link.

Since our Consumer Information documents are subject to change, you will be directed our Consumer Information web page (<https://valley.edu/consumer-information/>) The links on the page are named in a fashion that will allow you to quickly click on the correct link to find the information you need. If the link is broken, please contact your Campus Director. Some of our links will take you directly to the College Navigator web site. **If you would like to have a paper copy of any of the documents below or that are posted on the Catalog or Consumer Information Web Page, please contact the Campus Director.**

This document is reviewed at least once a year or when needed.

Individuals and offices responsible for disseminating consumer information:

Diploma and Degree Academic programs

Valley College offers blended/hybrid programs. A hybrid program is essentially a program that blends elements of online learning and traditional learning (face-to-face). Instead of taking every class in a classroom setting on campus, students will take some of their courses through online classes. Some classes may have an online and campus component.

The Medical Clinical Assistant (MCA) **diploma program** is designed to equip graduates with a broad range of skills necessary to enter the health care profession. Most of this program is offered via distance education. The clinical courses are hybrid. The lecture portion of the courses are offered online, and the clinical labs are offered at the campus. The student completes his/her externship as an approved externship site. This program is delivered by Valley College-Martinsburg via a consortium agreement with Valley College-Beckley and Valley College-Cleveland. The clinical labs take place at our Beckley, Martinsburg, Cleveland, and Fairlawn locations. Visit <https://valley.edu/programs/medical-clinical-assistant-diploma/> for more information.

The Nursing **Associate** degree (ADN) program has been designed to provide graduates with the core competencies and knowledge necessary to pass the National Council Licensure Examination for Registered Nurse (NCLEX- RN) and successfully enter the field of nursing. This program is offered at our Beckley and Martinsburg Campuses. The program does include online courses. For more information visit: <https://valley.edu/programs/nursing-associates/>

The Practical Nursing **diploma program** has been designed to provide graduates with the core competencies and knowledge necessary to pass the National Council Licensure Examination for Practical Nursing (NCLEX-PN) and successfully enter the field of nursing. This program is offered at our Cleveland Campus and Fairlawn Satellite site. The program does include online courses. For more information visit: <https://valley.edu/programs/practical-nursing/>

The Veterinary Assistant **diploma program** has been designed to provide graduates with the skills, knowledge, and core competencies necessary to effectively work as an entry-level Veterinary Assistant in a wide range of veterinary- animal based medical facilities. This program is offered at our Cleveland Campus. This program does contain online courses. For more information visit: <https://valley.edu/programs/veterinary-assistant-diploma/>

The Veterinary Technician **Associate Applied of Science (AAS) program** has been designed to provide graduates with the skills, knowledge, and core competencies that are essential to work as a Registered Veterinary Technician in a variety of animal based medical facilities. This program is offered at our Cleveland Campus. Valley College - Cleveland is accredited by the AVMA CVTEA as a program for educating veterinary technicians. Valley College - Cleveland is accredited by the AVMA CVTEA as a program for educating veterinary technicians. AVMA CVTEA (American Veterinary Medical Association Committee on Veterinary Technician Education and Activities) This program does contain online courses. For more information visit <https://valley.edu/programs/veterinary-technician/>

Academic programs offered via 100% distance education – Valley College – Martinsburg offers the following programs 100% online. Valley College – Martinsburg is a member of NC-SARA.

The Business Administration AAB program is an Academic Associate degree that is designed to equip graduates with the skills associated with operating a business or managing a department for a business. This program is intended for people who desire a concentrated program in business and prepares graduates for entry-level positions in various business settings. The emphasis of the program focuses on small business management or management of a department in an organization. Consumer Information 3/11/2026 Page 3 of 7

Cybersecurity Bachelor of Science program is designed to provide graduates with the ability to analyze, evaluate, and create solutions for the security, networking, and administration needs of organizations in various forms of industry. Graduates will gain the skills to create and recommend pro-active safeguards for computer and network systems and manage the design, coordination of efforts, implementation, and ongoing service of security devices, systems, networks, and procedures. The program also includes instruction in digital forensics, help desk practices, database management, security countermeasures, cyber-crime and law, emerging technologies, scripting, biometric systems, communication, and strategic thinking and decision-making. Visit <https://valley.edu/programs/cybersecurity-training/> for more information.

The **Health Services Administration Associate degree program** is an academic Associate degree program that is designed to equip graduates with the skills associated with an administrative professional position in the healthcare field. The Health Service Administration program provides students with a broad foundation of general medical administrative skills and prepares students to develop, plan and manage health care operations within health care facilities and across health care systems. The Health Services Administration program prepares students for entry-level positions in the healthcare industry including in hospitals, clinics, physicians' offices, community service organizations and insurance companies. For more information, visit: <https://valley.edu/programs/health-services-administration-training/>

The **Health Services Administration Bachelor of Science degree program** is designed to prepare graduates with the ability to enter the health industry or advance to new levels based on their current position in the health industry. This program provides students with a balanced combination of skills and knowledge that are predicated on a variety of topics that provide the framework for a Health Services professional along with a complimentary focus on the critical thinking and problem-solving skills that are essential to achieve the goals, objectives, and requirements of the organization that the Health Services professional will support. visit: <https://valley.edu/programs/health-services-administration-training/>

The **Medical Administrative Assistant diploma program** is designed to provide students with the skills necessary to obtain an entry-level position where they may perform administrative duties and provide customer service for visitor reception, patient intake and/or discharge services. The program includes instruction in medical office procedures, medical terminology, interpersonal skills, record-keeping, customer service, telephone skills, data entry, interpersonal communications skills, and applicable policies and regulations. Visit <https://valley.edu/programs/medical-administrative-assistant-diploma/> for more information.

The **Medical Front Office, Billing and Coding diploma program** is designed to provide students with the skills necessary to obtain and maintain entry-level positions in the Medical Administrative Assistant career field. The Medical Front Office, Billing and Coding program is designed to prepare students to perform medical administrative procedures for the front office with a focus on the expanded functions of insurance, patient billing, and coding for health care claims. Visit <https://valley.edu/programs/medical-front-office-billing-and-coding-diploma/> for more information.

The **Information Technology (IT) and Network Administration (ITNA) diploma program** is designed to equip graduates with the skills to create, administer and secure various types of networking structures. Students will learn to identify and assess the essential components of various types of networking systems and supporting hardware. This program will enable students to also analyze the capabilities and needs of multiple types of operating systems, and the corresponding security needs of computer and network systems in both personal and business settings. Visit <https://valley.edu/programs/it-network-administration/> for more information.

The **Information Technology (IT) and Security Administration Diploma (ITSA) diploma program** is designed to equip graduates with the skills to create, administer and secure various types of computers, technological devices, and networks. Students will learn to analyze and evaluate the essential components of various types of hardware, devices, systems and supporting hardware. This program will enable students to analyze and evaluate the capabilities and needs of multiple types of operating systems, and the corresponding security needs of computer and network systems in both personal and business settings. Visit <https://valley.edu/programs/it-security-administration/> for more information.

Vaccination Policy: Valley College does not have a college-wide vaccination policy. Some programs require that the students can show proof of vaccinations and immunizations. This information is in the Student Catalog and is available on this web site: <https://valley.edu/consumer-information/> **Click on Vaccination Policy**

Information on Faculty members and Academic Staff is found at:

These documents are updated often, please use the general link for the catalog web page is <https://valley.edu/catalog/> and click on the campus name. A paper copy of the document is available upon request from the school.

Special Services and facilities for individuals with disability:

Valley College abides by this policy in the administration of its student admissions, financial aid and scholarships, career placement programs, as well as in all other student-related services and educational programs and opportunities. Valley College facilities are equipped with ramp access from the parking lot. The classroom/student areas have extra wide hallways and doors, A.D.A. complaint-door handles, and restrooms to facilitate students who use wheelchairs. Read more about Valley College's Students with Disabilities Policy at <https://valley.edu/consumer-information/> Click on Students with Disabilities Policy

Copyright infringement policies

The purpose of the Valley College (VC) Copyright Compliance Policy is to provide a summary of U.S. copyright law as it relates to Valley College. This policy attempts to provide practical advice and procedures on copyright-related matters. It is not a substitute for legal advice, and proper legal advice should be obtained when necessary. The Campus Director will serve as the Valley College Copyright Officer and will assist staff, faculty and students in these matters. For more information, please see <https://valley.edu/consumer-information/> Click on Copyright Infringement Policy

Transfer of credit policies

Students interested in obtaining advanced standing or receiving credit transfers for courses taken at another college or post-secondary institution, in service schools and/or in Military Occupational Specialties (MOS) should contact the Admissions Representative prior to the first day of class. For more information, please see <https://valley.edu/consumer-information/> Click on Transfer of Credit Statement

Study abroad credit policies: Valley College does not participate in Study Abroad.

Written arrangements with other institutions: Articulation agreements are formal partnerships between our institution and other colleges that help students transfer credits smoothly and efficiently. Blue Ridge Community and Technical College entered an articulation agreement with Valley College for the Cybersecurity Associate to Cybersecurity Bachelor program offered at Valley College. South Hills School of Business & Technology entered into an articulation agreement with Valley College for the Business Bachelor program offered at Valley College. Valley College entered into an articulation agreement with Hilbert College for the Business Associate and Business Bachelor programs offered at Valley College. Please note that these agreements do not guarantee the transfer of some or all credits to Valley College. The Articulation Agreements are not for indefinite duration and may terminate at any time. For more information, please see <https://valley.edu/consumer-information/> Click on Articulation Agreement.

Student Outcomes

Valley College is required to participate in the Integrated Postsecondary Education Data System (IPEDS) which is a system of interrelated surveys conducted annually by the National Center for Education Statistics (NCES), a part of the Institute for Education Sciences within the United States Department of Education. Please visit the College Navigator Website at: <http://nces.ed.gov/collegenavigator> for more statistical information about the institution.

Student Diversity information is available on the College Navigator website. Diversity statistical information includes the percentage of enrolled, full-time students who are male, female or not specified, and self-identified members of a major racial or ethnic groups and Federal Pell Grant recipients.

When you visit the College Navigator site and search for one of our schools, use the following school names:

Valley College – Beckley
Valley College – Martinsburg
Valley College – Cleveland

Institution's retention rate as reported to IPEDS

Retention rates measure the percentage of first-time students who return to the institution to continue their studies the following fall. These rates only measure first-time students never having attended college before. Therefore, these rates do not reflect an accurate retention rate of the entire student body. Retention rates measure the percentage of first-time students who return to the institution to continue their studies the following fall.

Beckley: <https://nces.ed.gov/collegenavigator/?q=Valley+College+-+Beckley&s=WV&id=377652#retgrad>

A notification is sent out to students on or before July 1, 20XX. The link to that document is www.valley.edu/srtk

Graduation and Employment Information as reported to ACCSC.

Valley College is required to submit its Graduation and Employment information (data) to its accreditor, ACCSC, as part of its Annual Report. The Graduation and Employment Charts are submitted by program. The data reflects all students enrolled in a program for a specific cohort. The chart at the website provided shows the benchmark set by ACCSC and the Graduation and Employment rates achieved by Valley College. Visit <https://valley.edu/consumer-information/>

Click on Student Outcomes – Graduation, Employment (Placement) and Licensure Rates (ACCSC) for the outcomes. Click on Graduation & Employment Rates Methodology (ACCSC) for an explanation of how the outcomes percentages were determined.

Types of employment (Job Titles) are found in our student catalog under each program. <https://valley.edu/catalog/> A key search word would be CIP Code.

Types of graduate and professional programs in which graduates of the institution’s four-year degree programs enroll (if applicable)

Valley College does not offer graduate or professional programs.

Institution’s annual security and fire safety reports

The “Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act,” requires institutions of higher education to collect and annually report campus security statistics. Valley College does not have residential student housing. The following reports are included in the Annual Security and Fire Safety Report:

- 1) Title IX Compliance – The Valley College’s Title IX and the Violence Against Women Act Policy, Procedure and Notice of Petitioner’s Rights
- 2) The Drug and Alcohol Abuse Prevention Policy is also part of this report.
- 3) Campus Emergency Preparedness Plan.

The most current report is available at <https://valley.edu/jeanne-clery-disclosure/>

This report is updated annually on or before October 1st, 20XX.

The most current Drug and Alcohol Abuse Prevention Report is available at <https://valley.edu/drug-alcohol-prevention/>

This report is updated annually on or before August 1st, 20XX.

The most recent Campus Emergency Preparedness Plans are located at [Emergency Preparedness Plan - Valley College](#)

Plans are generally updated in September of the current year.

The most current Anti-hazing Policy is available at <https://valley.edu/consumer-information/> Click on Anti-Hazing Policy

This report is updated bi-annually in January and August.

Institution’s report on athletic participation rates and financial support data

Valley College does not have an athletic program.

Student Activities:

Valley College participates in community service projects throughout the year. Student activities vary from campus to campus. Click on [Community Involvement - Valley College](#) to see photos of recent activities. Also click on **Student Activities** located on the <https://valley.edu/consumer-information/> web site.
