LPN Advancement Scholarship Application – Beckley Campus

The Valley College Beckley Campus LPN Advancement Scholarship is intended for students who wish to enhance their educational growth in the ADN program after successfully completing an LPN Program and hold an active and unencumbered Licensed Practical Nurse (LPN) license. The scholarship applies only to the Nursing Program offered at the Beckley Campus. The applicant is considered a candidate during the time of enrollment in the chosen program. Total program tuition will be determined after the credit evaluation has been completed by Valley College. The award is up to \$10,000.00 and is awarded upon the chosen program's completion. The timing of the award will be determined by the Financial Aid department following Valley College policy and posted on the student's award letter.

The scholarship will be applied to the account balance owed to Valley College for the program the student is enrolling in. The scholarship has no cash equivalency. It is institutional funding applied as a last-dollar offset to the student account balance after all eligible federal, state, and local funding has been applied.
