

Misrepresentation Policy

Valley College is committed to providing accurate, truthful, and transparent information to current and prospective students, employees, regulatory agencies, and the public. Integrity is a core institutional value, and the College is dedicated to honest practices and transparent communications. In accordance with federal regulations, the College does not engage in false, misleading, or deceptive representations regarding its educational programs, costs, services, outcomes, accreditation, or participation in federal student aid programs.

Individuals who have questions or concerns regarding information provided by Valley College are encouraged to contact the College's Compliance Department. valleycompliance@valley.edu
