

Student Activities

Student Activities

Valley College provides students with a variety of activities throughout the year. Many of the student activities focus on community services. Students can learn more about the student activities by following the campus' Facebook page (click on the appropriate campus' link below).

A summary of the community service activities can be found on the [Community Involvement - Valley College](#) webpage.

Cleveland NAVTA:

Veterinary Technician students are eligible to join the NAVTA Student Chapter (SCNAVTA) at Valley College - Cleveland. Student members can experience the responsibilities that go along with being a member of a profession along with a professional organization. These responsibilities may include planning activities that promote veterinary technology, giving back to the community through volunteer efforts, or holding an elected office. Involvement in these activities while in school fosters the development of leaders within the profession.
